Housing Details

Is housing provided? No

If not, will you assist students in finding housing? Yes

Are there affordable housing options in the area? Yes

Housing options in the area: HOUSING MUST BE OBTAINED EARLY – PLEASE SECURE HOUSING AS SOON AS YOU ARE HIRED – Very important - housing must be secured prior to coming to the United States. Housing will cost from \$125/week to \$150/week. Housing is very limited and the longer you wait to find housing, the more expensive it will become with less opportunities to even find housing. Housing is very limited and you should plan early to secure it prior to your arrival – students have had to be relocated in the past that could not find housing. Please reach out to your employer for assistance. If you are traveling alone or with only a few in your group, please reach out to your employer and/or agent to help group students together for the same location and help locate housing and defray the cost. Most property owners, if not all, will expect to have a security deposit prior to moving in of at least \$250. Please be prepared to pay this in advance to help secure housing prior to moving in. Your employer is there to help you understand the requirements of housing within the community. Please feel free to contact your employer to ask questions especially before you send money to anyone.
