- My work is wonderful. I see a lot of beautiful sights and meet many new friends. Our apartment is huge and nice. For fun, I go kayaking and watch fireworks by the sea.

- I love my job! My boss and Americans coworkers take us out to dinner all the time. Everything is good here. For fun, I visited Anchorage and had a really wonderful day. I climbed the Mt. Alice with my friend Ashley and Sam. It was my best experience in the USA. I got to the peak of the mountain which took us 10 hours. Some American friends invited me and my roommates to have some hot dogs and s'mores. The s'mores are very delicious and special for me - they are made of chocolate, marshmallows, and graham crackers. Our employer and her husband took me to have a great dinner. We talked about everything the other day. It was a good memory of me. We also saw the beautiful fireworks with our friends by the sea which to celebrate the Independence Day of America.
